## JUNIOR CLASS HISTORY

September 6, 1945, saw a group of very scared Freshmen or eighth graders enter the doors of P.H.S. We were the first class to enter under the five-year training plan. In the spring we had a wiener roast at Grand View, which was a lot of fun even if we did forget the wieners.

In the fall of 1946 we entered our Sophomore year here in P.H.S. In the spring of '47 we had a very successful dance. Then, the first May Day was held since 1941. Catherine Gillikin and Nancy deNeufville represented our Sophomore Class in the court.

We entered our Junior year in the fall of 1947 with a bang. The school band was organized and Hartness Lawson, a junior, was selected as student conductor. Early in the year we ordered our class rings. December 19 found us attending the Christmas Dance in the school gymnasium. Evangeline Sparrer, Jeannine Ward, and Ailsa Braid were elected to represent us in the May Court. Then came the big event, the Junior-Senior Prom on April 23 in the school gymnasium. Everything went over in a big way.

This ended our three very successful years at Poquoson High School, and we are looking forward to two more bright and happy ones.

## SOPHOMORE CLASS HISTORY

We can never forget our first day of high school, what a day! It was all so different from grammar school. However, to our surprise, the 82 freshmen who entered the doors of P.H.S. soon adjusted themselves to high school life. We were assigned to Mrs. Moore's, Mrs. Carmines' and Mr. Cox's home-rooms.

We elected as our class officers Jack Royall, president; Frances Hunt, vice-president; John Hunt, secretary-treasurer; and Peggy Rollins, student council representative.

Olga Olson, a freshman, was elected Miss P.H.S., in a contest sponsored by the Junior Woman's Club of Poquoson.

The main and wonderful event of the year was our Freshman Formal Dance, which took place April 23, 1947. It proved very successful even if we did have the misfortune of misplacing the nuts and mints.

Mr. Thomas gave us a compliment by saying that we were the most well mannered group that had ever held a dance at Poquoson High.

Frances Hunt and Miriam Moore, represented the Freshman Class in the May Court. The first May Day since the war years.

Then came the great day September 9, 1947, we were no longer rats but really upper classmen.

We were assigned to Mr. Carmines', Miss Bridgewater's, and Mr. Baker's homerooms. We elected our class officers, and then our thoughts turned toward our Sophomore dance, which will be held sometime in the near future.

We chose Nancy Harris and Janice Crockett to represent the Sophomore Class in the May Court.

These two years of high school have proven very successful and we are looking forward with pleasure to three more years of high school life.

## THE FRESHMAN CLASS

The Freshman Class of 1947-48 has displayed an admirable school spirit since many members have participated whole-heartedly in most school activities. A large number have been active in the band, glee club, Future Farmers of America club, and Home Economics club.

This class did itself credit when it entertained the student body with an assembly program. It is also proud of the participation of its members in the athletic program of the school, with representatives already starting training in football, basketball, and baseball, and looks forward to the years when these will be on the varsity teams.
